Dame Elizabeth Cadbury School

Combined Cadet Force (RAF)

- The CCF (RAF) is based at 230 schools across the UK, where you can take part in training and activities as part of your school life. You'll develop confidence, responsibility, self-reliance, resourcefulness, endurance, and sense of service to the community.
- If your school has a cadet unit; this is a partnership between your school and the Ministry of Defence. It is absolutely NOT a military recruitment tool; and you CAN'T be sent to conflict . . . nor your teachers!
- Cadets meet every Monday afterschool, throughout term time, for one-and-a-half to two hours. In the school holidays you'll also have the chance to attend annual camp at an RAF base.
- You also get to do the following activities . . . which are GREAT FUN!
