Dear Parents and Carers,

Re: DEC Oscars Celebration postponement to 2021

At Dame Elizabeth Cadbury, we believe in rewarding our hardest working and highest achieving pupils, both academically and otherwise, for their efforts over the past academic year. Under normal circumstances we hold an annual rewards evening, the 'DEC Oscars', at the Botanical Gardens venue in Birmingham, where family and friends can share in their success by being present for the prestigious award giving ceremony.

The safety of our pupils, parents and staff is of the highest importance to us and as a result, we have taken the sensible decision to postpone our annual celebration until 2021, given the current COVID restrictions. Although we cannot specify the rearranged date at this time, we want to assure you that every effort will be made to recognise our pupils' success, with the possibility of a virtual celebration if all else fails.

Please continue to encourage and reward your children at home for their hard work and we will continue to do the same in school. During such challenging times, a small reward can improve the resilience of our young people and encourage them to keep working as hard as they can in order to build the foundations for the best possible future success.

Thank you for your continued support.

Yours faithfully
