

13<sup>th</sup> July 2021

Dear Y13 student,

### **Y13 Results Day Tuesday 10<sup>th</sup> August, 9am**

We hope you and your family are well.

As you will be aware, the teacher assessed grading process for all Year 13 pupils was completed by senior staff earlier this term. This information was submitted to exam boards who are now conducting their own moderation process to finalise actual results following the guidance given to them by Ofqual.

To ensure every pupil feels supported and has access to immediate guidance in the next stage of their education we are inviting you in to collect your results on **Tuesday 10<sup>th</sup> August, 9am**.

When you arrive at school, please make your way to the front of reception. You will be able to sanitise your hands before entering the school building. You will then be directed to the relevant school area to collect your results.

Please ensure that you bring your subject textbooks, so we can reimburse you for any book deposits made. Please bring your bank account details so a BACS form can be completed for this. Please bring your UCAS Track number with you, so you can log into your UCAS account whilst at school if needed.

### **UCAS and post-6<sup>th</sup> Form support**

For those of you who have applied to university through UCAS, we highly recommend you log on to your UCAS account and access the "Track" area at around 8am on results day.

UCAS Track will update at around 8am and you will see if you have been accepted for your firm or insurance choice. If you have not been accepted for either of these then you can then go through the Clearing process.

Not being accepted onto your firm or insurance choice does not mean you have achieved "bad grades". If the universities do not reconsider, you can start the Clearing process by calling other universities that you would like to apply for.

UCAS will not share your exam results with you, you will receive your results from your school. If you are going to use the Clearing process, I recommend starting these phone calls to universities as soon as possible on results day. We are more than happy to help with this process in school but it is a great idea to get a head start from 8am.

If you have achieved higher grades than you expected, you could look to use the Adjustment Service through which you can swap your accepted place to another course or university.

If you have applied through UCAS there are two documents below that I recommend you read through before results day.

1. UCAS information about results day:
